WGA has moved to a paperless system of member notifications. The renewal and August Newsletter (with membership card) will be **MAILED** to members, but for all other notifications, if you have provided an email address we will send by email.

WGA has embraced Zoom and is now providing a combined in-person and online program. When the lockdown hit we embraced the virtual challenge and accepted Zoom as a new way to communicate and deliver our programs to the membership. As many as the challenges were, it offered many advantages, such as not having to leave home on snowy winter evenings, and surprisingly a more intimate experience for the demonstrations. Much of what we have initiated over the past two years, we will continue with. However, we feel that there is nothing like in-person interaction so we are working hard to return to normal activities.

NEW MEMBERS: MEMBERSHIP FEE: \$100 DUE NOW.

Please Note: All new members must reside in the GTA or York Region.

Our group relies on the participation of the membership in organizing and implementing the programs, shows, website and other activities. To enable this to happen, we need volunteers. Volunteering is an excellent way to get to know your fellow artists better. You can learn valuable knowledge from them. You can also learn special skills by involvement in some of the programs. If you have skills that you feel would be beneficial, please reach out to the Membership convenor or one of the Executive members.

Please join us each Tuesday night, and get to know your fellow artists!

Please return this ENTIRE membership form with your payment. If paying by email, please attach a copy of this form, or send separately by mail.
